ADD-ON SERVICE

Creative strategy and direction

Not just what to shoot — but what to say, how to say it, and why it will land. Strategy sessions can be added to any package or booked standalone.

STANDALONE SESSIONS **FROM \$350**

Brand story session

We find the narrative at the core of your brand — who you are, who you're talking to, and what you want them to feel — before a single frame is shot.

Content planning

A 30-day content roadmap built around your goals. What to post, when, on which platform, and why — with a clear visual direction for each piece.

Creative direction

Visual language, mood board, shot list, and on-set direction. We take the creative lead so you can focus on being in the work, not managing it.

01

50% deposit to book

Balance due on delivery. No deposit, no confirmed date. This protects your time and ours.

02

Commercial usage

Running our work as paid advertising? Add 40% to the project rate. Your content working harder deserves fair compensation.

03

Rush delivery

Need it in under 48 hours? Rush delivery adds 30% to the editing rate. We will make it happen.

04

Travel and location

Projects outside KC billed at \$0.67/mile plus accommodation if overnight. We will go anywhere the story takes us.

05

Revisions policy

Revisions included per tier. Additional rounds at \$100/hr. We get it right — but scope changes cost time.

06

No discounts

We do not discount. If the budget is tight, we adjust scope. The standard never changes — only the deliverables.
